Sheffield Community Media Limited

Report of the Directors **For The Year Ended 31 March 2024**

The directors present their report with the audited financial statements of the company for the year ended 31 March 2024.

LEGAL STATUS

Sheffield Community Media Limited (SCM) is incorporated as a registered society under the Co-operative and Community Benefit Societies Act 2014. SCM has a wholly owned subsidiary, Sheffield Local Television Limited (SLTV), a company limited by guarantee, and a majority-owned subsidiary, Shefcast Digital Limited (SDL), a company limited by guarantee which commenced trading on 1 July 2022. These are the consolidated financial statements of SCM, SLTV and SDL for the year to 31 March 2024.

PRINCIPAL ACTIVITIES

The principal activity of SCM is to invest in a community hub and media facilities that enable production and distribution of media content, the promotion of access to information, encouragement of creative expression and the provision of training.

The principal activities of SLTV are the operation of a local television channel for Sheffield and the provision of video production, social enterprise support, consultancy and other services consistent with the society's objects. SLTV is the holder of Ofcom licenses to operate the Local Digital Television Programme Service for Sheffield and a Television Licensed Content Service.

SCM and SLTV work in partnership with Commedia Sheffield, which operates Sheffield Live! 93.2fm community radio and sheffieldlive.org, to deliver a cross platform media service – on radio, TV, web and mobile – under the Sheffield Live! brand.

Shefcast Digital Limited (SDL) is a joint venture between SCM, Commedia Sheffield and two other licensed community radio operators, Redroad FM Limited and Pakistan Muslim Centre (Sheffield) Limited (PMC), with SCM holding 57 per cent of the voting rights. SCM is the holder of Ofcom licences to operate the digital audio broadcasting (DAB) multiplex for Sheffield and Rotherham which carries the radio services of member partners and other local, community and specialist radio services.

BUSINESS REVIEW

During the year the focus of the society has been to maintain operations, re-develop office space as a co-working offer alongside studios and other facilities, and provide hosting support to Sheffield Live! community radio, Sheffield Live! TV and Shefcast Digital.

SLTV continued to operate the local TV channel, Sheffield Live! TV, which is receivable on Freeview channel 7, Virgin cable channel 159 and on broadband via sheffieldlive.org, as well as delivering video production services. Local TV productions supported have included Sabrang magazine for the South Asian community, African Voices and LGBT show Chewing the Cud. SLTV also continues to air live broadcasts of key Sheffield City Council meetings and has maintained a six days-a-week local news service. In collaboration with Latest TV (Brighton) and NVTV (Belfast), SLTV continued to host a series of innovative film festivals providing a platform for emergent independent producers including Film Pride, Inheritance Film Festival of arts and environment, and International Women's Days Film Festival. It has continued to carry "Covering Ukraine", a bi-weekly TV programme with reports from Ukraine and solidarity action in the UK, co-produced with Ukrainian journalists and Kyiv-based Hromadske TV, also in partnership with Latest TV. During the year SLTV exceeded all of its regulatory commitments to local programming including news and current affairs. SLTV continued to deliver start-up support workshops for social enterprises and to offer support on a consultancy basis, following the end of European funding to the Social Enterprise Exchange programme.

SDL, launched in 2022, maintained operations throughout the year including the provision of carriage services to 10 radio stations. These included local community radio services Sheffield Live, Link FM and Rother Radio, local private radio operators, Essentials and Rotherham Radio, and specialist services including Gaydio, Radio Sangam, 45 Radio, Angel Radio and Cosoro Radio. SDL has capacity to carry potentially at least 25 radio services when fully occupied. In addition, SDL has provided technical and business development support to Doncaster-based social enterprise Higher Rhythm towards the launch of Doncaster DAB.

The society and its subsidiaries continued to work in close partnership with Commedia Sheffield, hosting Sheffield Live! community radio, providing technical support and sharing technical facilities. Commedia Sheffield operates as a volunteer run 24/7 community radio service with around 18 hours per day of local content broadcasting on FM, online and on Sheffield Live! TV.

Sheffield Community Media Limited

Report of the Directors **For The Year Ended 31 March 2024 (continued)**

FINANCIAL REVIEW

Group revenues have been mainly derived through the activities of SLTV together with new revenue streams commencing from SDL for carriage fees and consultancy, and a continuing contribution to use of facilities from Commedia Sheffield.

SLTV completed delivery of social enterprise support services under a multi-partner agreement as part of the Social Enterprise Exchange, part-funded by European Regional Development Fund and the National Lottery Community Fund. This revenue came to a close on 30 June 2023, with the cessation of European and National Lottery funding. Commercial revenue from advertising on SLTV has been at a steady but low level during the year. Production and facilities revenue has also remained at a low level.

SLTV received investment income during the year in the form of distributions from its shareholding in Comux UK Ltd, the local TV transmission services provider, which it co-owns on a one share per local TV licence basis with other local TV channels. Comux UK Ltd distributions have continued to meet 100 per cent of the costs of transmission services for Sheffield Live! TV. Comux UK has also provided additional payments to SLTV consisting in an agreement to support television playout services.

Since its launch in 2022, SDL has contributed to diversification of group revenues and, although less than earlier expectations, it has maintained a healthy revenue stream, with 10 radio stations operating under carriage agreements on the platform.

Despite the success of SDL the group made an overall deficit on the year due to the end of European funding to SLTV in June 2023 and the absence of any replacement funding to continue this core activity. SLTV has made substantial cost reductions, including ending all paid staff positions and cutting other overhead costs however redundancy costs contributed to the deficit.

The directors have reviewed the financial circumstances and revenue projections of the society and group and have concluded that adequate resources continue to be available for the year ahead and that the society and group remain a going concern.

PLANS FOR FUTURE PERIODS

The cessation of European funding for SLTV has been challenging for the group. Substantial increases in energy costs have also had a bottom-line impact. Our forward financial focus remains on resilience, diversification and asset development.

Partnership working will continue to be a core theme with opportunities to strengthen the quality and quantity of original production on Sheffield Live! TV and radio and, through our broadcast platforms, to further promote cultural expression and community cohesion, and to address issues of social, economic and environmental importance, including the cost-of-living crisis and climate change. SLTV will also be looking to build on its experience and track record of success in delivery of start-up social enterprises and we intend to complement this by the opening up of the society's main premises as a co-working and incubation space.

The establishment of SDL provides not only an asset that can generate new revenue from carriage fees but also a model for similar projects elsewhere and a platform to support creation of new community radio services in Sheffield and Rotherham. SDL is developing further partnerships which present opportunities to share knowledge and to scale our community-led model.

The society and group maintain an ambition to identify a suitable property for acquisition that would enable a reduction in net premises costs and additional revenue from office rental, studio hire, co-working membership, events and promotions. The directors are actively seeking opportunities in the current property market while reviewing a building-based business model.#

POST BALANCE SHEET EVENTS

In view of significant changes in the economic conditions for local TV the directors took the decision in early 2025 to explore the market for potential business partnerships or sale in relation to SLTV. The outcome, after considering a number of options, was the transfer of SLTV business operations to the parent company with a focus on production, streaming and on-demand services and the sale of SLTV to That's TV Channels Limited (TTCL), together with its Ofcom licences and £1 share in Comux UK Ltd. Under a production agreement with TTCL, SCM will continue making community TV content for the new channel operator.

INTEREST AND TRANSFER TO RESERVES

The directors did not pay interest on members' shares held during the year. The society has stated its objective to offer interest in the future on members' shares at a projected rate of 3% per annum. Subject to available surpluses, this remains the society's objective. The actual rate of interest will be determined by the board of directors at the time and in light of financial performance. It is capped at 5% per annum or 2% above the base lending rate of the Co-operative Bank, whichever is the greater.

FIXED ASSETS

Full disclosure of all matters relating to fixed assets is set out in the notes to the financial statements.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The law governing Co-operative and Community Benefit Societies requires the directors to prepare financial statements for each financial year which give a true and fair record of the state of affairs of the society and the group at the end of the period and of the income and expenditure of the society and the group for that period. In preparing those financial statements the directors are required to:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the society and the group will continue operation
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the society and the group and enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014. The directors are responsible for safeguarding the assets of the society and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to the auditors

We, the Directors of the society who held office at the date of approval of these financial statements as set out below each confirm, so far as we are aware, that:

- There is no relevant audit information of which the company's auditors are unaware; and
- We have taken all the steps that we ought to have taken as directors in order to make ourselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This report was approved by the board of directors on 23 July 2025.

Sheffield Community Media Limited

Independent Auditor's Report
to Sheffield Community Media Limited

Opinion

We have audited the financial statements of Sheffield Community Media Limited (the 'society') for the year ended 31 March 2024 which comprise the consolidated income and expenditure account, society income and expenditure account, balance sheets and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the society's and group affairs as at 31 March 2024 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014 and the Co-operative and Community Benefit Societies (Group Accounts) Regulations 1969.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the society in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Board of Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the society's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Board of Directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Board of Directors is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the society and its environment obtained in the course of the audit, we have not identified material misstatements in the Board of Directors' report.

We have nothing to report in respect of the following matters in relation to which the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- the society has not kept proper books of account or has not maintained a satisfactory system of control over its transactions; or
- the financial statements are not in agreement with the society's books of account; or
- we fail to obtain all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

Sheffield Community Media Limited

Independent Auditor's Report **to Sheffield Community Media Limited (continued)**

Responsibilities of the Board of Directors

As explained more fully in the Board of Directors' responsibilities statement, the Board of Directors is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the society or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the industry and sector, control environment and business performance;
- results of our enquiries of management, about their own identification and assessment of the risks of irregularities;
- any matters we identified having made enquiries about the documentation of their policies and procedures relating to:
- identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of noncompliance;
- detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
- the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- the matters discussed among the audit engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in relation to income recognition, banking procedures and segregation of duties. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks that the company operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act, UK Corporate Governance Code and local tax legislation.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty.

Audit response to risks identified

As a result of performing the above, we identified income recognition and related party transactions as key audit matters related to the potential risk of fraud. In order to mitigate the risk identified, enquiries were made of key management personnel as to the processes surrounding the recording of transactions and all related party transactions were reviewed in detail.

In addressing the risk of fraud through management override of controls, our procedures included reviewing and testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business. Due to the minimal number of transactions throughout the financial year it was clear

Sheffield Community Media Limited

Independent Auditor's Report
to Sheffield Community Media Limited (continued)

that there had been no management override of controls and that each transaction had been correctly and properly recorded as appropriate.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or noncompliance with laws and regulations throughout the audit.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the society, in accordance with section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the society those matters we are required to state to it in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the society, for our audit work, for this report, or for the opinions we have formed.

Registered society number 31727R

Sheffield Community Media Limited

Notes to the Financial Statements **For The Year Ended 31 March 2024**

1. ACCOUNTING POLICIES

General information and basis of preparation

Sheffield Community Media Ltd (SCM) is incorporated as a registered society under the Co-operative and Community Benefit Societies Act 2014. SCM has a wholly owned subsidiary, Sheffield Local Television Ltd (SLTV), a company limited by guarantee, and a majority owned subsidiary, Shefcast Digital Limited, also a company limited by guarantee. These are the consolidated financial statements of SCM, SLTV and SDL for the year to 31 March 2023.

The financial statements are presented in sterling which is the functional currency of the society and group and is rounded to the nearest £0.

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") and the requirements of the Co-operative and Community Benefit Societies Act 2014 and the Co-operative and Community Benefit Societies (Group Accounts) Regulations 1969. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements have been prepared under the historical cost convention.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Turnover

Turnover represents the total value of goods and services rendered during the year exclusive of value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	-25% on cost
---------------------	--------------

Deferred Tax

Deferred taxation is provided where there is a reasonable probability of the amount becoming payable in the foreseeable future.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the income and expenditure account on a straight-line basis over the period of the lease.

Pension costs and other post-retirement benefits

The society operates a defined contribution pension scheme. Contributions payable to the society's pension scheme are charged to the income and expenditure account in the period to which they relate.

Government grants

Grants are credited to deferred revenue. Grants received in respect of fixed assets are treated as deferred income and released to the income and expenditure account over the life of the assets to which they relate. Grants towards revenue expenditure are released to the income and expenditure account as the related expenditure is incurred.

Cash flow statement

The directors have taken advantage of the exemption in Financial Reporting Standard No 1 from including a cash flow statement on the grounds that the group is small.

Basis for consolidation

The consolidated financial statements incorporate the results of Sheffield Community Media Limited and its trading subsidiary undertakings using the acquisition method of accounting. The results of the subsidiary undertakings are included from the date of acquisition.
